

Student Supply List 2020-21

KINDERGARTEN/ENHANCED PROGRAM

These are supplies for students that are in the Kindergarten Enhance program. You will need to get these additional supplies if your student is enrolled in the all day program. These students meet in a different classroom from the Kindergarten classroom, so they will need these additional supplies. Please write your child's name on anything you would like returned at the end of the school year. You may contact the teacher if you have any questions. Thank you!

Teacher: Mrs. Lewis
