

A CLASSICAL CHRISTIAN ACADEMY

Secondary School Events Fee

In an attempt to simplify the process of collecting fees, this year we are combining the individual fees associated with our school day events, History Emphasis and Civil War Reenactment, into a one-time event fee. These fees help to cover the costs of food and drink for these days, materials for costumes, and supplies for each event. These items are purchased ahead of time and the amounts are based on our entire secondary student enrollment. Therefore, we are asking that each secondary student (7th through 12th grade) pay a \$20 events fee no later than Friday, April 5th.

For those who selected to have your Choir Festival payment applied to this fee your remaining amount due is \$8 per student.

If you have any questions or would like to see how you can assist with either of these events please contact the school office.
