What to Wear: Formal attire is very appropriate. A suit with dress slacks, jacket and tie are the minimum required attire for men; a tuxedo would also be very appropriate for this event (but is not required). The ladies apparel should be nice, modest, and noble with a few particular details. The dresses must be below mid-knee-cap (not above the knee) or longer. Dresses must be opaque to the required length and may be a one-shoulder style, or have two straps, or sleeves. The back and neck lines should not be too low or the slits higher than the knee. Check your dress for modesty while moving as well as in a seated position. Thinking highly of the gentlemen in these areas will help to give direction to what is acceptable and appropriate. *All student dresses must be checked by Mrs. Kim, Miss Nolan, Miss Miller, or Miss Woodroof by Thursday, April 11th. The female teachers will be available for dress checks at lunch time on Tuesdays and Thursdays starting April 2nd through April 11th each week prior to the ball.* If your high school daughter will be wearing the same dress for both Protocol and the Spring Ball please have her let one of the female teachers know and there may be no need for another dress check.

Some Tips on Proper Etiquette: Do not ask the same young lady to dance more than twice during an evening; it is polite to offer to dance with a single lady (i.e., teacher or parent) who is without a partner, so that they would enjoy the evening also.
