

CIVIL WAR REENACTMENT

2019

Costumes & Student List

Letter #5

Friday, May 17, 2019

Dear Parents,

The Civil War Reenactment continues to approach. In order to add to the "historical authenticity", students will need to come dressed in a costume on Friday, May 24th. Each student is required to obtain his own costume. **Belts are necessary as this is how students carry their "ammunition" bags.** Costumes vary somewhat according to grade level and whether the student is on the North or the South (list attached). The students should go to their homeroom first thing (by 8:00 AM) on Friday morning, where they will get their **hat** and **insignia** (which we will provide). They should then go to the gym (by 8:05 AM) – dressed and ready to go. Please consult the following for the rest of their costume:
