**REMINDERS:** The conference break is an excellent time to encourage your child to practice his or her speech! Speeches should be “performance ready” by Monday, November 2.

On the day of class performances, we would love for you to support the class by arranging to stay for the entire session. The order of the speech participants is set in advance and will not be able to be changed. Thank you for loving our students well by staying for all the speeches. You will be blessed as you hear the fruits of a job well done.

We will be asking all parents and guests to do a health check-in and obtain a visitor’s pass prior to attending the speech meet. A check-in station will be set-up outside of both the sanctuary and the gym. We will also be asking all to social distance and/or wear a mask at all times.

If you are able to volunteer to help with this year’s speech meet, please let the school office know.
