Dear Oaks Families,

The start to this year has been a great blessing. The Lord has been kind to bless our fellowship and to protect our school. Praise be to God! I also want to thank you for partnering with us and making the community gathered here a place where you and I can pursue the glory of the Lord in everything. God is good!

As we begin looking at the 2026–27 school year, here is an overview of the enrollment process.

1) **Continuous Enrollment:** In order to simplify the re-enrollment process for you and for the office, we only require a form to be turned in if your child will *not* be re-enrolling for next year. The form is available in Annasis.

2) **Enrollment Fees:** Enrollment Fees will remain at $325 per student and will be due February 5th. Payment of these fees will be done via automatic bank payments as described below.

3) **Automatic Bank Payments:** At this point, all Tuition and Enrollment Fees are paid/collected via automatic bank drafts. Enrollment Fees for the 2026–27 school year will be withdrawn February 5th. If a family has extenuating circumstances, please reach out to our Business Officer, Mr. Mark LaVoie. Automatic payments for 2026–27 Tuition will begin in July. Families desiring to pay up front will still be able to do so via check in the office.

More details and information can be found on the attached enrollment information sheet. Please let me know if you have any additional questions. Again, I am thankful for our partnership together and, together in Christ, I am excited for the coming year.

God Bless,

Charlie Dowers

- At the discretion of the Head of School, a student or family may be refused re-enrollment for the following school year. Such refusal is not considered a direct disciplinary act, requiring accumulated office visits in order to be taken. Refusal to re-enroll is not the equivalent of suspension or expulsion. If your re-enrollment has not been accepted, you will be notified by the end of May.

- Due to the fact that the school contracts with our teachers and staff to pay them a set amount for the year, regardless of any reduction in student population, and in consideration of the per student costs we incur in materials and overhead for the year, we cannot refund any paid Tuition, Application, or Enrollment Fees.
