Dear Parents of Students in Grades 3 through 10:

We received the standardized testing results from the Educational Records Bureau (ERB) which our students took in February. The results from your child's test will be emailed to you individually. The Individual Narrative Report will give you information on how your child scored on each of the tests comparative to other norm groups. Please note that a Parent Guide for this report is available here:

https://cdn.erblearn.org/pdf/www/ERB_CTP_Parent_Guide_Narrative_Report.pdf

As has always been our practice, the school does not teach to the standardized tests. On top of that, the ERBs do not measure portions of our trivium oriented curriculum. Even though the tests do not perfectly track the growth in knowledge, understanding and wisdom our students receive through our Christian and classical curriculum, the information is useful for the board, teachers and administration as we continue to evaluate our course of study. It can be helpful for you as parents as well, as you track your child's academic growth from year to year.

Please contact Mr. McEachran or Mr. Trotter if you have any questions regarding your student's results.

Sincerely in Christ,

Charlie Dowers
Head of School

"They will be called oaks of righteousness, a planting of the Lord for the display of His splendor." Isaiah 61:3
