As we begin a new school year, please carefully review the parking lot information below, as well as the attached map. We are very grateful for the facilities we lease from Valley Fourth Memorial Church and the following are important ways that we can love and bless our landlords. Our desire is that this information will answer any questions you may have, as well as be a blessing to all in our daily travels. Please note in particular, that these things help to ensure that we are honoring our lease agreement with Valley Fourth. Thank you for your consideration as you drop off and pick up your children daily. As always, please feel free to ask us any questions you may have.

- **Pick Up & Drop Off:**
  K–12th grade mixed carpools:
  Enter the southeast parking lot from 24th Avenue at the far East driveway and leave from the 24th Avenue West driveway. You may park in this lot if you are staying to help in the classroom.
  3rd–6th grade carpools:
  Enter the Northwest gravel parking lot from Bowdish Rd and leave from 22nd Avenue. You may also park along 22nd Ave, being careful not to block any driveways. *Please do not use the North parking lot for drop-off or pick-up.* It is important for staff and students to be able to have space to park and arrive in a timely manner.
  3rd–4th grade only carpools:
  You may park along 22nd Ave, being careful not to block any driveways. *Please do not use the North parking lot for drop-off or pick-up.* It is important for staff and students to be able to have space to park and arrive in a timely manner.

- **Student Drivers:** Student drivers may park in the parking lot to the north of the MP building. Students transporting K–6th grade siblings must walk to the southeast parking lot to pick up their siblings.

- **Parking In Front of The Oaks:** The parking lot in front of the gym building that is accessed off of Bowdish Road is not available for pick up and drop off anytime between 7am and 4pm as Valley Fourth has not given us permission to use that parking lot. Valley Fourth did give us permission to sell several parking spots in that parking lot as a fundraiser. Those who purchased those spots are the only ones allowed to pickup or drop off in that parking lot. Please do not use this parking lot for any reason without prior permission.

- **Drive Slowly:** Please watch carefully for children in the parking lots and drive very slowly.

- **Share with all of your Drivers:** Please share these reminders with EVERYONE who drives to and from school including mom, dad, grandparents, babysitters, student drivers, etc. Attached is a campus map with all parking lot information labeled.

- **Finally - The Kids:** Please remind your children to be cautious and walk, not run, to and from the school buildings and cars.

The LORD has daily blessed us with safety in our parking lots. May we be thankful for this gift and also recognize parking lot etiquette as an arena to practice treating each other kindly in obedience to Christ.

**School Zone Speed Limits:** This is a friendly reminder that the roads surrounding The Oaks are school zones. Regularly, policeman monitor both Bowdish Rd and 24th Ave as they are 20 mph zones.

*"They will be called oaks of righteousness, a planting of the Lord for the display of His splendor." Isaiah 61:3*
