

Picture Day Tuesday, November 30

Photo requests & orders must be submitted by Friday, November 19, prior to Thanksgiving Break.

Individual and classroom pictures will be taken Tuesday, November 30 (this is updated from what was originally published). Students should go to their classroom at 8:30 and receive instructions from their teachers regarding the schedule for the day.

Please note that ***ALL students are required to wear their formal uniform on picture day.*** This week there will be Formal Tuesday, rather than the weekly Formal Monday, so no need to wash the formal uniform on Monday night before pictures. Even if you are not planning on purchasing portrait packages, all students must wear their formal uniform for their individual, classroom and all-school photos. Each student's individual picture will be in the yearbook. Seniors will have their individual picture taken at this time also.

Dorian Studios will be our photographers again this year. They are offering several package choices and enhancement options.

Completed payment envelopes may be brought in and given to homeroom teachers anytime prior to **Friday, November 19**. The payment envelopes only need to be returned if you are purchasing photos. Please call the school office if you have any questions.

This year there will be an opportunity to order sibling photos if you would like a picture of all of your children together. ***If you would like to have this photo taken, please send a request to the school office by Friday, November 19.*** Only those families who request a sibling photo will have one taken and the photographer will be unable to honor any requests made after Friday, November 19. You may call, email, or stop by the office to make this request.

****Sibling photo requests must be submitted to the office by Friday, Nov. 19.***
