# Yearbook Signing Fellowship Guidelines

*Let all that you do be done in love – 1 Corinthians 16:14*

As we gather to sign yearbooks in a few days and celebrate the end of the school year, let's make this a joyful and encouraging time for everyone. Please follow these simple guidelines to help keep the focus on kindness, gratitude, and honoring one another:

1. **Be Kind and Encouraging**
   Write messages that build others up. Share favorite memories, thank your classmates and teachers, and speak words that reflect Christ's love.
2. **Keep It Clean**
   Avoid any jokes, drawings, or comments that are rude, inappropriate, or could hurt someone's feelings. Do not mutilate photos by drawing on top of them.Let your words bring life, not harm.
3. **Respect Personal Space**
   Only write in someone's yearbook if they invite you to. If someone is taking time to read or write, be patient and wait your turn. Use only the type of pen, pencil or marker requested by the yearbook owner. Write in the space designated for signatures (front and back of book).
4. **Be Inclusive**
   Make an effort to sign more than just your closest friends' yearbooks. Look for classmates who may be left out and offer to write a kind note.
5. **Honor the Moment**
   This is more than just a fun event—it's a time to reflect, say goodbye, and give thanks. Let's treat it with care and respect.
6. **Keep Refreshments Away from Books**
   Spills and food stains can occur if great care is not taken during the signing time. Eat refreshments in the designated area.

Let your words be full of grace and truth. Enjoy the fellowship, and may your signatures be a blessing to all who read them!

P.S. You might want to bring a special pen or two for the yearbook signing. Make sure to mark your pen with tape and your name so you won't lose it. Permanent markers dry quickly on glossy paper, or you can look for other pens with quick-drying ink.
