This Extracurricular Activities Release Form supplements the "The Oaks Release Form" currently on file with The Oaks Education Association ("The Oaks") for the above-named student. I hereby consent to the above-named student participating in the following named extracurricular activity offered by The Oaks:

_____.
This consent includes travel to, and full participation in, *all* practices, rehearsals, meets, games, contests, competitions, events that are part of the above named extracurricular activity.

I further consent to treatment deemed necessary by medical personnel sought by *any* representative of The Oaks, including parents volunteering transportation or other assistance, for any illness, or injury to my child that should occur in pursuing the above named extracurricular activity.

I also consent to abide by all of The Oaks guidelines and policies governing my child's participation in the above-named extracurricular activity. This includes such policies as academic requirements, expectations for behavior, homework and test expectations, missing classes, leaving class early, etc.

For *all athletic* extracurricular activities, I will obtain a physical examination by a Physician, to ensure that my child is capable of full participation in the above-named athletic activity. I have adequate insurance coverage that will cover extracurricular activities with the above named insurance company, and will continue to keep it in force throughout the duration of this extracurricular activity.

In consideration for our (my) child's participation in the above-named extracurricular activity, we (I) release, discharge, and agree to hold harmless The Oaks, their officers, Board of Directors, agents, employees, and volunteers from any and all liability, claims, demands for personal injury, illness or death; as well as property damage and expenses of any nature whatsoever which may be incurred by us (me) and/or our (my) child while our (my) child is participating in these activities (including travel to, and full participation in, *all* practices, rehearsals, meets, games, contests, competitions, events that are part of the above named extracurricular activity), hereby assuming all risk of personal injury, illness, death, damage and expense as a result of or arising from participation in this extracurricular activity.
