

2020-21 Uniform Updates

May 22, 2020

We are excited for the changes in our uniform policy which are taking place over the next couple of years. Beginning in the *fall of 2021*, we plan to have all of our students wearing the same plaid (ties for gentleman, jumpers and skirts for ladies) and same colored slacks for formal uniform. This means that jumpers, skirts, and ties will be changing for 2021-22 and that boys' formal pants will also change for grades K-9. In the meantime, we trust that the newly available options for the *fall of 2020*, combined with greater consistency across grades and incorporation of previous items will be a blessing to you and your family. We will let you know as soon as the Lands' End school site is available. Please check the pictorial handbook on the school website when it becomes available as well. In the meantime, below is the list of uniform items for the coming school year.

Where indicated, uniform items must be purchased from Lands' End or Spokane Uniform House for the 2020-21 school year. Items previously purchased from Hilfiger or Uniform House/Dennis will be grandfathered in for two school years, ending June 2022. This policy will allow families to get good use out of uniform items which have been previously purchased.

All shirts, blouses, vests, sweaters, solid jumpers, and Logic/Rhetoric School outerwear must be monogrammed if purchased new for the 2020-21 school year. Beginning 2021-22, monogrammed items will be required for formal wear; the following year all items must have required monogramming.
