Objective: To set the standards and guidelines for student attire at The Oaks.

Scope: This policy applies to all students.

Guidelines: Students attending The Oaks are expected to comply with the following guidelines for student attire:

General (for all students): Students are expected to dress in accordance with their biological sex; transgender dress/facilities use is not permitted. Attire during the day is the designated school uniform unless otherwise specified by the administration for special events and/or activities. Our uniform suppliers are Lands' End and the Spokane Uniform House. All primary articles of clothing must be purchased through these suppliers unless otherwise noted.

The purpose of the school uniform is to foster a sense of unity among the students, to provide a consistently attractive and neat appearance for all students, and to avoid peer pressure in matters of dress. **Parents and students** are responsible for reading the uniform information and familiarizing themselves with the policies. Violation notices will be given to students who are not in compliance with the uniform guidelines. A student may have to wait in the office until the proper uniform is brought to school.

The Oaks is a *workplace* for students as well as for teachers. Students should dress in a way to demonstrate their respect for the school. They must be in The Oaks approved school uniforms. Therefore, students shall:

Dress neatly: That is, all shirts tucked in, shoes tied, no holes/tears in clothes, clothing appropriately sized for the wearer.

Be clean: That is, recently washed, groomed hair, and clean apparel.

Enforcement: The school administration will determine if there is a violation of the dress code, either in fact or attitude. Students not complying with this dress code will be required to rectify their appearance as quickly as possible. Cheerful, consistent compliance is expected; grumbling and challenging attitudes will be subject to disciplinary action.

Special Attire Events/Days: As the Headmaster determines, events such as P.E. and field trips may call for other clothing options.

Five Advantages of School Uniforms:

1. The neat appearance created by a uniform code enhances a ready-to-learn atmosphere.
2. A uniform code instills school spirit and a sense of belonging. The student is part of a group identity that strives for excellence and the code establishes a tradition.
3. A uniform code saves parents time, as most all uniform items, including accessories, can be purchased either from Lands' End or the Uniform House. In addition, time may be saved each morning as the "what to wear" issue is eliminated.
4. The uniform code should save parents money. The uniform code de-emphasizes the social impact of dress and helps focus the students on character and academic issues. The selected clothes were chosen with price and durability in mind for overall good value for the money. Growth features in some of the garments may also cut down on total wardrobe expenditures.
5. The uniform code addresses security. On field trips, students in uniform aid the teachers in keeping track of everyone. On the playground or in the school, teachers and staff can clearly identify students from outsiders.

Compliance with the Uniform Code:

All students will wear the designated school uniform unless otherwise specified by the Headmaster. New enrollees are to wear nice clothes that fit as closely as possible to the colors of the school uniform (no jeans) until uniforms are obtained. Teachers and staff members will check the students regularly to ensure that each student is in compliance with The Oaks uniform guidelines. Teachers have permission to check clothing labels to ensure the proper uniforms.

It is imperative that all parents and students read the guidelines carefully to ensure full understanding of the entire uniform guidelines. Parents are required to read the guidelines and agree in writing on the family application to uphold the guidelines when their children are enrolled at The Oaks.

When a student is found to be in violation of the uniform guidelines, parents may be called to bring proper uniform attire while the student waits in the office.

General Guidelines:

Shirts: Students may wear white t-shirts under their polos if necessary for extra warmth. Please note that t-shirts must be a solid white and there should be no writing that shows through the polo. Shirts must be tucked in at all times. All polo shirts must be purchased at Lands' End or the Uniform House. Shirts from companies other than those listed will be considered non-uniform items.

Garment sizing and length: Sizing of garments needs to be within reason for the child's frame. "Growing room" is understandable, but oversized shirts, jackets or pants are not permissible. The lengths of jumpers and skirts are to be hemmed at the top of the patella (knee bone) or below. Boys' shorts and girls' shorts and skorts are to measure no more than 2" above the top of the patella (knee bone) or longer.

Footwear: Shoes should be comfortable and not draw undue attention to the wearer. Formal uniform shoes should be solid dark brown or black, dark-soled, leather or leather-looking dress shoes. For girls, formal uniform shoes should also be low-heeled (1" or less) and cannot be boots or booties. Optional uniform shoes may be black, brown, navy, grey, or white leather/leather-looking shoes, dress boots or tennis shoes. For girls, optional shoes should also be low-heeled (2" or less). No sandals are permitted. Logic and Rhetoric students (7th -12th grades) are only allowed to wear winter snow boots during the school days when snow has fallen either the night before or early in the morning before school begins. Students may also keep boots in their lockers in case a heavy snowfall occurs during the day.

Socks: Socks are required for all students at all times. Please see specific uniform lists for appropriate colors.

Belts: Belts should be dark brown/black and leather or leather-looking. Boys in the Logic and Rhetoric schools must wear a belt at all times.

Outerwear: In the classroom and school building, Grammar students (K-6th) may only wear Oaks uniform items embroidered with the school logo. Grammar students may wear other outerwear outside for activities like recess. Logic and Rhetoric students (7th-12th) may only wear Oaks uniform outerwear that is embroidered with the school logo during the school day.

Hair and Accessories: Students will keep their hair neat, clean, well groomed, and in traditional styles and colors. Boys shall not have any facial hair. Boys will keep their hair short with the back length no longer than the top of the shirt collar. Boys' hair is not to be bleached, highlighted, or cut or worn in a way to bring undue attention. Girls' hair may be tastefully and conservatively highlighted. Girls may wear hair accessories that are moderate in size and match uniform colors. Hats are not acceptable in the classroom or school buildings for either boys or girls.

Jewelry: Boys may not wear earrings or piercings of any sort. Girls may wear earrings, avoiding those that dangle for obvious safety reasons. Watches and rings are fine for boys and girls, keeping in mind moderation and good taste. Gold and silver tasteful necklaces and bracelets may be worn if they are petite in nature.

Note: Khaki, navy, or black bicycle shorts are required for girls while wearing jumpers or skirts and not wearing tights. Girls in the Grammar and Logic schools (K-9th) should wear navy or black with the formal uniform and may wear khaki with the optional uniform. Girls in the Rhetoric school (10th-12th) may wear khaki, navy, or black with the formal or optional uniform. Bicycle shorts in other colors or shorts of any other style or color are not acceptable under skirts or jumpers.

Please take the time to mark each of your children's belongings with a permanent laundry marker to facilitate return of lost items. Check outerwear items periodically to be sure your child has not picked up someone else's items. With so many alike, it is easy to mix up belongings! Please also periodically check to ensure that your child's name is still legible on his/her belongings.

All shirts, blouses, vests, sweaters, solid jumpers, and Logic/Rhetoric School outerwear must be embroidered with The Oaks logo if purchased new for the 2020-21 school year. Beginning September 2021, embroidered items will be required for formal wear; the following year, beginning September 2022, all items must have required embroidery.
